Dear Malcom

Installation of public-access defibrillator's in Sainsbury's Nine Elms

I would like to take this opportunity to both thank and congratulate you on the good work you and your group have done in regard to the installation of public-access defibrillators in Sainsbury's stores.

I have also written to the Andy Robins, Store Manager and Jon Hartland Acting Retail and Operations Director to thank them for hosting the launch; and to encourage them to take up accreditation.

Yours sincerely

A handwritten signature in blue ink that reads "Heather Lawrence".

Heather Lawrence OBE
Chair
