IAS Total		9,279	5,394	927						

58.1% (Previous week 57.5%) of all recorded handovers were greater than 15 mins.

69% of the 5 hospitals with the most 15min+ handovers were longer than 15 minutes.

The top 3 hospitals for total hours lost > 15 minutes were;

1. Northwick Park **102.5 Hrs**
2. Kings College **85.8 Hrs**
3. Royal Free **79.5 Hrs**

Northwick Park has the longest average overrun per breach at 24.3 followed by Barnet with 20.7 and Royal Free 20. Homerton were the lowest with 3.2.

Because of PAS/VAS or handover issues the Handover count will always be lower than the total conveyances.

PAS/VAS are currently trialling a new web page based solution which if successful, will roll out Pan London.
